A BIT ABOUT US

We are a super trustworthy, and not creepy in any way,
company filled with love for green paper. Established in
2015, we gained support quickly and our wonderful Kool-
Aid started changing lives. We want to thank all of our
supporters, even though they aren't with us anymore.

Jebediah Jameson, Co-Founder
I have a direct line to God and have his explicit blessing
to create this wonderful drink and bring his sheeple back
to him in the afterlife.

Jezebelle Jameson, Co-Founder
I am the moral support for the amazing leader that is my
husband. His communion with God is a miracle and
everyone should be able to take advantage of his divine
greatness. Kool-Aid for the win!
